

# Ohlone Read-A-Thon

In conjunction with Literacy month, Ohlone will be participating in a Read-A-Thon sponsored by the student council. Our hope is that **all** students will set a goal with their parents, and participate by keeping track of the number of minutes & pages read on their Reading Log.

The optional part involves collecting sponsors to raise money for building a water pipeline from Enelerai to the village of Emorijoi, Kenya. **Students wanting to participate in the fundraising need to bring this form, with a parent(s) signature, to the library to obtain their Sponsor Sheet.** Students in grades 2-5 who read from at least 4 different genres will be entered in a drawing to win a Keplers gift card. The Read-A-Thon timeline is as follows:

**Week of November 2<sup>nd</sup>**- Print out a Reading Log by logging onto the Library Page, located on the Ohlone website ([www.ohloneweb.com](http://www.ohloneweb.com)) or stop by the library to pick up a Reading Log. Keep track of your minutes/pages read on your Reading Log.

**Optional**-bring signed permission slip to the library to receive Read-A-Thon Sponsor Sheet and start gathering sponsors.

**Week of November 9<sup>th</sup>**- READ, READ, READ!!

**Week of November 16<sup>th</sup>**- Drop off all completed Reading Logs to the library and pick a prize! \*Sponsor money is due in the office by **November 18<sup>th</sup>**!!

My child \_\_\_\_\_ in Room \_\_\_\_\_ has my permission to participate in collecting sponsors/money for the Read-A-Thon for Emorijoi.
